**RESPONSE TO DECISION ON RENEWED PETITION  
PURSUANT TO 37 CFR 1.137(a)**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450  
**Attn. Paul Shanowski, Sr. Attorney**

Sir:

Further to "Decision on Renewed Petition pursuant to 37 CFR 1.137(a)" (hereafter "Decision on Petition") mailed August 12, 2010, Applicants respectfully decline to provide further information. A master docket exists as is plainly evident from the prior submission explaining the Docketing System and the Docket Records. The contents of the Master Docket is highly confidential and offers no useful evidence as the missing Office Action has been retrieved online from the USPTO PAIR system and docketed into our system (and indeed already responded to).

To avoid further delay, Applicants request that this paper or the Renewed Petition pursuant to 37 CFR 1.137(a) filed July 12, 2010 be considered as a contingent Petition to Revive the Application under 37 C.F.R. §1.137(b), wherein the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. If this paper is treated as a Petition to Revive under 37 C.F.R. §1.137(b), please charge the above-referenced deposit account in the amount of the petition fee set forth in 37 C.F.R. §1.17(m) -- with reduction for the previously paid petition fee of set forth in 37 C.F.R. §1.17(l), if available.

The Commissioner is authorized to charge any fees which may be required, or to credit any overpayment, to Deposit Account No. 504298 (Order No. 101-P291).

Respectfully submitted,

/C. Douglass Thomas/
